

## Explore New Frontiers With This Classic On Road Tourer

The Frontier Colorado Caravan offers essential touring comforts and represents exceptional value for those wanting to explore. At the core is the renowned Colorado build quality and tough timber frame construction, paired with classic external styling and fresh, pleasant interiors. Utilizing the ever dependable Preston Chassis, touring the wide open road with the Frontier on tow is sure to prove a satisfying and carefree experience.

Select from either of our two floorplans, both featuring the classic front bedroom, rear bathroom layout with the convenience and practicality of cafe dining seating. Make the Frontier your home with a diverse choice of wall, floor, bench top and upholstery colours and textures.
