

BUSHRANGER

The Off Road Bushranger Takes A Luxury Home Experience To Faraway Places

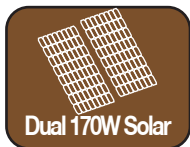

Every so often that renowned sense of 'Aussie adventure' takes hold and you get the urge to explore the unexplored. When it does, you will need a genuine off-road caravan to take you off the beaten track, you will need a 'Bushranger'. The possibilities are endless with a 'Bushranger' off road caravan thanks to an extra strengthened chassis, Cruisemaster™ suspension, galvanised floor, Hyland™ hitch, off road tyres plus more. All included in a highly stylised, attractive looking caravan.

The Bushranger is available in many different layouts to suit couples and families

Order yours today and let's make caravanning a 5 star experience:
